

# DÍA 21: COMPARA LOS NÚMEROS. COMPLETA EL CÍRCULO CON EL SIGNO CORRECTO.

Para comparar cantidades más grandes o mas chicas, usamos los signos  $>$  y  $<$  para indicar “menor que” o “mayor que” e “igual”.

El 4 es mas grande que el 2.

El 3 tiene el mismo tamaño que el 3.

El 2 es mas pequeño que el 4

A diagram showing two groups of base ten blocks. The left group has 3 tens rods and 4 ones units. The right group has 5 tens rods and 2 ones units. A large empty circle is placed between the two groups for comparison.

Observa la cantidad de decenas.

A diagram showing two groups of base ten blocks. The left group has 7 tens rods and 1 ones unit. The right group has 7 tens rods and 6 ones units. A large empty circle is placed between the two groups for comparison.

Si las decenas son iguales, observa las unidades .
