# LISTEN AND TOUCH

## ACTIVITY

**Initial Questions:** Why is it important to listen and pay attention? What do we need to do when someone speaks?

**Teacher's task:** Form groups of 5 to 10 students. Explain the class that they should follow the instructions listed below.

1. "Form a circle and start round dancing to your left". "Now kids, pay attention! You have to jump with both legs 10 times and touch the wall".
2. "Children, form a circle, hold hands and bend your body". "Now kids, pay attention! You have to crawl and touch a school bag!"
3. "Children, hold hands, form a big circle, stretching your arms and turn around". "Now kids, pay attention! You have to run and touch the black-board!"
4. "Children, hold hands, form a big circle and turn around quickly". "Now kids, pay attention! You have to crawl on all fours and touch the door".
5. "Children, form a circle and turn around jumping like frogs". "Now kids, pay attention! You have to walk to your seat, sit down and rest!"
